

NEW YORK HARBOR ANCHORAGES

TEMPORARY REGULATIONS FOR JULY 1st - 9th, 2000

Vessels from over 60 nations will participate in an eight-city tour of the United States beginning in San Juan, PR and continuing to Miami, FL; Norfolk, VA; Baltimore, MD; Philadelphia, PA; New York, NY; New London, CT; and Portland, ME. Tens of millions of spectators will visit OpSail® Ports and attend OpSail® Events May 25th through July 31st, 2000. OpSail 2000® is the event that celebrates America's maritime history and will create lasting memories for future generations. OpSail® / International Naval Review 2000 will take place in New York Harbor from July 1st - 9th, 2000, highlighted by a Parade of Tall Ships and a Fireworks display sponsored by Macy's® on July 4th. Due to the magnitude of this event, temporary anchorage and boating regulations will be established. The detailed regulations can be found in the Federal Register.

SUMMARY OF TEMPORARY REGULATIONS

Power-driven vessels greater than 130ft, towing vessels greater than 25ft, and vessels certificated to carry more than 50 passengers for hire must check-in with Vessel Traffic Service NY on CH 11 VHF-FM prior to entering the Port. For more info please refer to our web site.
